

Meridian Village Enhanced Housing. A Happy Story.

Once Upon a Time...

- Fraser Health is committed to providing a variety of appropriate supportive residential environments within its network of mental health services to meet the varied needs of individuals living with mental health issues.

If We Build It, They Will Come

- Enhanced supported housing program provides the opportunity for greater independence and improved health for individuals with mental illness.
- Individuals live in self-contained apartments with 24 hour on site support.
- Close to community resources and transportation.

Let's Get Together!

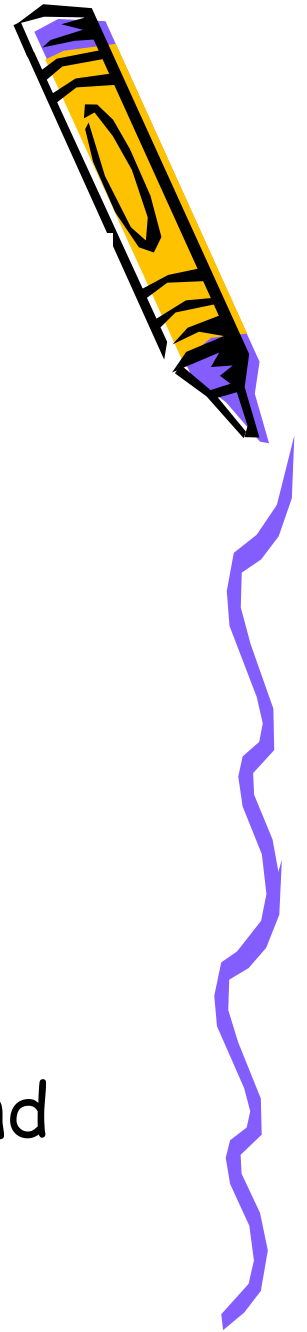

- **Metro Vancouver Housing Corp.**
- **MPA: "Motivation, Power and Achievement"**
 - Non-profit organization with a mission "to inspire hope and recovery for individuals with mental health issues."
 - MPA operates social, vocational, recreational and housing programs that support people in their own communities

At Your Service!

- Enhanced Housing program:
 - Meal program
 - Medication management.
 - Link residents to community resources and assists in accessing these services.
 - Case managers will provide clinical support, crisis management and connection to rehab services.

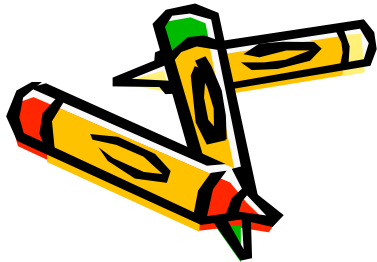

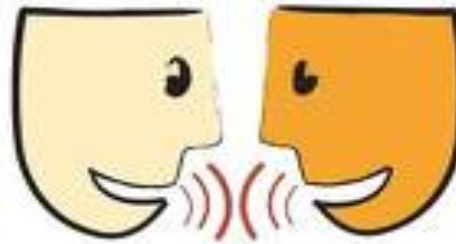

The Ups

- Enhanced supported housing has been shown to provide increased levels of independence & health for mental health clients.
- Fills a gap in services that are currently unavailable.
- Collaborate with new partners.

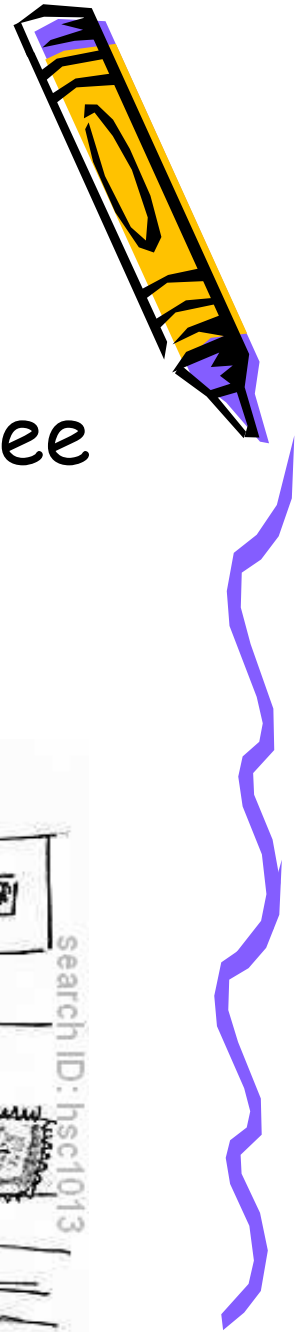

The Downs

"Living in Harmony"

- Meridian Village Steering Committee Meeting
- Meridian Village Screening Committee Meeting
- Bridging

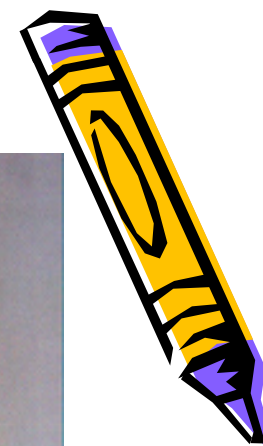

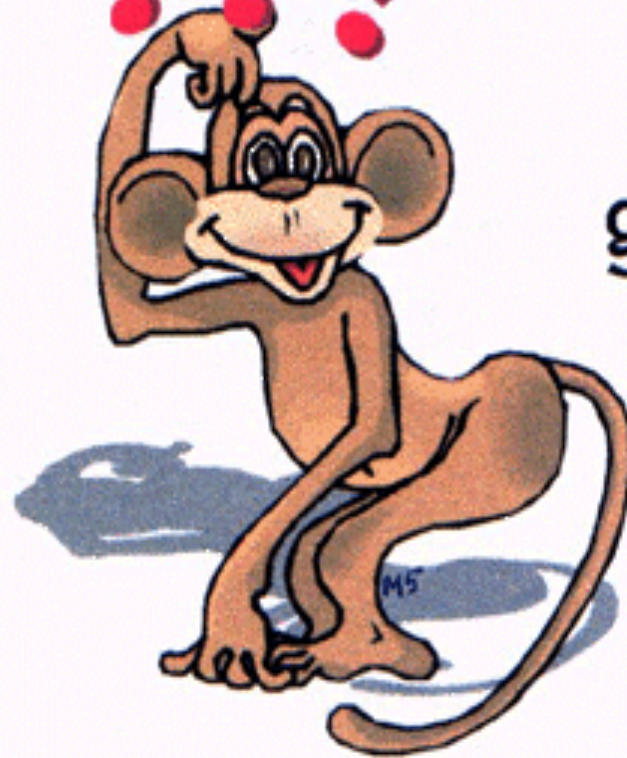

- Affordable housing
- 20 Units or 30 residents
- 24 hour support
- Meal/med support program
- Life skills programs
- Increased psycho-social rehab

Increased independence and
community integration
